HAPPY GANG
Illustration by Sihabutr Xoomsai Na Ayudhaya
(The advertising director of Triton Film, he has won several awards, both of the domestic and international variety, such as the London International Advertising Award, Asia Pacific Advertising Festival and B.A.D. Awards)

Sihabutr's pleasures in life include first and foremost his friends. "My search for happiness would be unsuccessful without them," Sihabutr said. His friends are to him like an extended family - one that brings happiness, inspiration and joy. "I would be lonely and inactive if it weren't for my friends," he added.

TWO WOMEN ONE HEART
Illustration by Katthaleeya McIntosh
(Leading actress and MC, and UNICEF ambassador)

Katthaleeya takes pleasure in the fact that she is able to dedicate herself wholeheartedly to everything that she does and, moreover, maintain a balance. This balance in life and the opportunity to do something that she loves are her true source of happiness.

SOUL SEARCHING
Illustration by Thanachai Ujjin
(Lead singer, Modern Dog)

"Today, many people are not happy as they tend to think of themselves and their own benefits. If we were less selfish and start to think of others, we would be more satisfied with our own lives".
